

## ProductLife joins EuropaBio: improving human health by delivering regulatory compliance services for the safe and effective use of medical solutions.

### PRESS RELEASE

**Brussels, 01 December 2021** – EuropaBio is pleased to announce that ProductLife Group has joined as an associate member.

ProductLife Group (PLG) is an outsourcing and consulting services company that supports the global life sciences industry, including biopharmaceutical companies, across the product development and marketing life cycle by transforming the way organizations capture, monitor, manage, and use information.

Since 1993, ProductLife Group has supported clients throughout the life sciences product life cycle, combining local expertise with global reach and spanning more than 130 countries.

EuropaBio Director-General, Claire Skentelbery, commented: “It is excellent to expand the knowledge base and expertise within the EuropaBio community through membership of ProductLife Group. The ProductLife team brings first class regulatory understanding at a critical point for many sectors and we look forward to working with them closely”.

Xavier Duburcq, CEO of ProductLife Group, added: “There will be an increased focus on regulatory matters due to a fast evolution of regulatory requirements, and regulatory affairs professionals play an increasing role within the lifecycle of biopharmaceutical medicines, biosimilars, and vaccines. Within EuropaBio, ProductLife Group would like to contribute to improve access to new medicines, especially for EU-based Mid-size companies and SMEs”.
