

EuropaBio's Claire Skentelbery elected as new Vice-chair of ICBA

PRESS RELEASE

Brussels, 13 June 2022

On June 12, during the Annual Meeting of [International Council of Biotechnology Associations \(ICBA\)](#), Dr Claire Skentelbery was elected as a new Vice Chair of the Council. Dr Skentelbery will take on the new role with immediate effect for a two year mandate.

Speaking about her new position, Dr Skentelbery said. "I appreciate the confidence of ICBA Members in taking on the role of Vice Chair. ICBA has a critical role as a voice for international biotechnology associations to ensure a competitive and aligned global contribution towards healthy populations and transformation to a sustainable world".

During the same meeting, Oliver Schacht, Bio Deutschland were elected as a new Chair of the Council.

About EuropaBio

EuropaBio, the European Association for Bioindustries, promotes an innovative and dynamic European biotechnology industry. EuropaBio and its members are committed to the socially responsible use of biotechnology to improve quality of life; to prevent, diagnose, treat, and cure diseases; to improve the quality and quantity of food and feedstuffs and to move towards a biobased and zero-waste economy. EuropaBio represents corporate and associate members, plus national biotechnology associations and bioregions.
